K-6 Book Packs

Dear Parents and Carers,

This year, all students K-6 will be required to purchase a book pack from the school. This book pack will include this year's 'GO Math' textbooks and a number of exercise books and stationery items that the students will use on a daily basis in class. All Kinder students also receive a writing book and a 'Home Reading' bag as part of their book pack.

The costs for the book packs are - **Kinder: \$20 / Grades 1-6: \$30.**

The use of a Math textbook is only part of the overall teaching of Mathematics outcomes, but provides the students with the opportunity for independent and guided pen-and-paper practice after regular hands-on experiences. It also reduces the need for costly loose-leaf worksheets.

Please note:

- ❖ **Maths textbook Sale Day** - Top Book Shop on **Friday 7th February, 2014.**
- ❖ Books will be available from the front office until **Friday 21st February,** but it is preferred that they are purchased on the arranged sale day.
- ❖ All cash and cheques are to go through the class money folders (please make cheques out to the **Top Book Shop**).
- ❖ A free assessment book will be included for those students in grades 1-6.
- ❖ Books will not be given out to students who have not paid their money.

Thank You,

Greg Francis
Text book Co-ordinator
