This is our last newsletter for 2014 and I would like to take this opportunity to wish all Chertsey families a wonderful Christmas and a very Happy New Year. I cannot believe how fast this year has gone and I have completed my first year here as Principal. I have had a busy but very enjoyable year working at this lovely school. The staff here at Chertsey all go above and beyond what is expected of them and I can guarantee that your children are in excellent hands.

I have enjoyed getting to know the students throughout the year and look forward to seeing them all back here in 2015 for another busy and exciting year!

I would like to wish our Year 6 students all the best for their futures as they enter the next chapter of their lives. It is a very exciting time as we see them off to high school. I am certain that their years at primary school have ensured that their transition to high school in 2015 is successful. **I wish them all the very best of luck for their high school years and look forward to hearing of their successes.**

The farewell was held last night and the children not only looked fantastic but their behaviour was outstanding. A good time was had by all and I would like to say a huge thank you to the many parents who have helped in organising the farewell and all of the work that went into preparing the decorations and food. Without their continual support such functions would not take place. I would also like to thank Mrs Stuckey for coordinating the night and all of her work behind the scenes.

Congratulations to all of the students who received a ribbon at last week's Key Learning assembly. It was great to see so many children receive recognition for their hard work and dedication throughout the year. I am also looking forward to seeing many more awards go out this Friday at our Presentation Day assembly.

We also held our thank you morning tea for all of our wonderful helpers last Friday and **whether you have helped a little or a lot we appreciate all that**

you have done. I hope to see you all back in 2015.

School resumes on **Wednesday January 28** for all students 1-6. Kindergarten starts the following week.

Once again Merry Christmas to all and I hope the New Year brings you joy and happiness.

Dear Parents/Carers

A number of our students have been identified as having an **allergy to nuts (including peanuts)** and nut products.

This allergy can be life threatening so we are requesting your support to help us to keep our students safe.

Firstly, we request that **our students do not bring foods to school made from nuts or products containing nuts.**

In particular, it is requested that **alternatives to peanut butter or nutella be provided, including biscuits, cakes or health bars which list nuts as an ingredient.**

Further information about allergies and Anaphylaxis will be provided in early Term 1.

Your assistance with this very serious issue is appreciated.

Thank you

ACTIVE AFTER SCHOOL

During Term 4 some of our year 4, 5 and 6 students were chosen to participate in a surfing program at Terrigal Beach. The children all did a fabulous job and we may even have some future pro-surfers.

Also during this term 24 students participated in an after school Soccer5s gala afternoon at Tuggerah. The children were very impressive, with our seniors making it to the finals.

As mentioned earlier this semester, the AASC program will cease at the end of this year. I was quite saddened to hear this and likewise many parents have since spoken to me about their disappointment that such an amazing program has ended.

I have now had confirmation that a replacement program will definitely commence Term 3, 2015. More details to come.

Again, I would like to thank EVERYONE, parents, children, helpers, afternoon tea makers and teachers for supporting me and the program over the past 8 years.

Kate Currie

Wyoming Schools as Community Centres (SaCC)

Wyoming Public School

Little Learners is a preschool literacy program for children 3-5 years.

We focus on phonemic awareness, sounds and story-telling. We will have play stations and fun activities for pre-schoolers to learn correct pencil technique, sounds before letters and comprehension through stories.

We will guide the children's learning opportunities through play based activities and skills to assist them to discover their potential and achieve their learning goals.

Benefits:

Children benefit from sound activities as they:

- Help establish connections between different parts of the brain that develop memory and language.
- Improve concentration
- Improve confidence and self esteem
- Provide opportunities to develop social skills and make friends
- Free books available

Free to attend. Registrations essential

Ready Set Trot comes to the Central Coast

Gostelow Riding School is one of the first in Australia to offer the “Ready Set Trot” program – a fun and exciting initiative for young people who want to give horse sports a try in five star all weather facilities.

Through a series of structured sessions which include group games and mounted activities, young people learn about horses and equestrian sport, learning basic horse skills and all-important horse safety along the way.

Gostelow Riding School will offer the program to young people the Central Coast region and the first program for school holidays will commence on 5th to the 9th of January 2015 and until the end of the month. Each of the Ready Set Trot holiday programs sessions will run for a full day. The whole program is completed over 5 days.

“We’re excited to be one of the first in Australia to offer Ready Set Trot, a program which will get more young people learning about and enjoying all the great aspects of the horse world,” said Sophia Gostelow, of the Gostelow Riding School.

“As well as providing a fun experience, Ready Set Trot gives young people a chance to make new friends and learn new skills. “This is a great activity for young people who love horses but don’t own a horse of their own and want to try equestrian as a sport.”

Children who complete Ready Set Trot will be encouraged to stay involved in equestrian sport by continuing weekly riding lesson and completing additional pathways developed by Equestrian Australia.

Sophia’s husband Martin is himself an active show jumping competitor and winner of various State and National Titles. He is a successful coach of elite level junior riders who compete most weekends throughout Australia. Local teenager Sarah Thompson (pictured) started with the Gostelow Riding School at aged five. 10 years on she is one of the stars on the National circuit. Sarah along with other team members will be riding over 1.25- 1.30 high courses at the Sydney International Equestrian Centre at Horsley Park December 11th to the 14th against competitors from all over Australia.

To register for a program at the Gostelow Riding School or for more information please visit <http://www.GetRiding.com.au> or call our office 4372 1622.

Ready Set Trot participants receive a fun starter pack which includes a Ready Set Trot drink bottle, helmet cover, bag, work book and pen.

Ready Set Trot a collaboration between Equestrian Australia and Pony Club Australia thanks to funding received by the Australian Sports Commission.
