This week marks the end of Term 3 and what a busy term it has been. We have had carnivals, concerts, camps, Head start, high school tests, Father's Day breakfast and the list goes on and on.

The highlight of the term was last week's Chertsey on Broadway concert. We had the pleasure of seeing all of our students perform on Broadway over two nights. Each and every child enjoyed the concert and at the conclusion of each show I could see how much the audience loved each item. The hall was buzzing with excitement and it was a wonderful experience to be a part of.

Thank you once again to our amazing talented staff and the students for all of their hard work and dedication on making this concert a huge success!

The children and staff are ready for a break and hopefully we all feel refreshed ready to return to **school on Tuesday October 7.**

I'd like to wish you all a happy relaxed break with your children and let's hope the sun shines for the whole 2 weeks!

### *Coming events;*

#### **Camp Stage 3**

Our stage 3 children are off to camp this Wednesday to Mangrove Mountain in Somersby. There are many outdoor activities the children will be participating in and I am certain they are all going to have an awesome time. Children attending this camp have received a note home explaining bus departures and arrivals, clothing requirements etc. Thank you to **Mrs Jo Stuckey** for organising this excursion and **Mrs Daley and Mr McCabe** for giving up their time to attend.

#### **GATS Camp**

Five of our students here at Chertsey were successful in being offered a spot to attend a gifted and talented camp for stage 3 children across the Central Coast. I

**ACCEPTANCE , ACHIEVEMENT, COMMITMENT, INTEGRITY AND RESPECT**

would like to congratulate **Kyra , Madeline, William, Kira and Evelyn** on their successful applications and I hope they enjoy the 4 day camp this week. What a great way to finish up the term.

### Work around the school

Over the next few weeks there will be some work being completed at our school. This includes new walls to divide the kindergarten room, KA and K-2F, painting in our foyer and canteen gates, drainage system updates and front gardens being completed. I apologise if this affects you or your child this week but I am sure that disruption will be kept to a minimum. The outcome should be fantastic and make our already beautiful school look even better.

# FATHER'S DAY

 **Cancer Council NSW** Nutrition Snippet

## The simplest way

to set a healthy example for our kids.

Did you know that in NSW 9 out of 10 parents are not eating the recommended daily amount of veg and half are not eating the recommended daily amount of fruit?

What you eat influences what your children eat; this is especially important with fruit and veg because eating adequate amounts all your life can help protect you and your children against all of these:

- Coronary heart disease
- Some forms of cancer
- Obesity and being overweight
- Constipation
- High blood pressure and cholesterol levels
- Diabetes

By eating more fruit and veg now you'll be a healthy role model for your kids and help protect their health in the future.

# The simplest way

to eat more fruit and veg.

Here are a few ideas for how to make eating the recommended 2 serves of fruit and 5 serves of veg easier:

- **Canned and frozen fruit count.** Stay healthy with canned fruit in juice not syrup, and canned veg with no added salt.
- **Legumes are vegetables too.** Try adding dried peas, beans and lentils to meals.
- **Juice only counts once.** 125ml of 100% fruit or vegetable juice is 1 serve, but doesn't contain the fibre of chopped fruit and veg. Water is the ideal drink.
- **Dried fruit only counts once.** A small box of sultanas or 4 dried apricot halves equals one serve – but don't go overboard on dried fruit.
- **A little and often.** Children may eat more if you offer smaller serves more times a day.
