From the Principal's desk

Thank you to all of our wonderful staff and parents who have helped me out while I have been filling in for Mrs Skinner. She has been enjoying a well-deserved break and will be returning next week, just in time for the Year 6 Mini Fair!

Our Year 6 students have been busily preparing their stalls and games for the Mini Fair and it's going to be another awesome day next Tuesday 14 November. I must say a BIG THANK YOU to Kate Currie, Bec King, Veronica Brown and their friends/families for their hard work with gathering donations for our massive raffle. There are some great prizes this year so make sure you buy some tickets. Ticket books were sent home last week with notetakers for families to sell. Tickets will also be on sale before school each day and before the draw starts on the day. We'll also be having a sausage sizzle, fairy floss and jumping castle on the day.

It's an exciting time for Year 6 as they are participating in a variety of activities to help them transition to high school. Our local high school, Erina High, has been holding its annual Little Days Out and Fun Days for Years 5 and 6. They have also had a Year 7 Headstart program for students needing help with transition. These days are very important for Year 6 as they leave our Chertsey nest and head out to high school.

Congratulations to Mr Makepeace for organising our attendance at two sporting events last week. One Wednesday Stage 2 participated in an OzTag Gala Day at Adcock Park. All reports about behaviour and participation have been very positive and the Stage 2 students that went should be very proud of themselves. Mr Makepeace also coordinated our teams that went to the District Ball Games Carnival on Friday last week. It was great to finally see the carnival go ahead after it was rained out the previous week. Again, congratulations are in order for the students who attended the carnival and demonstrated respect to everyone else involved and tried their hardest to be their best.

Mrs Campbell has done it again!! Our school has once again been successful at the Central Coast Council Environmental Schools Program Awards. Congratulations to Eva and Annie for winning first prize with their nature projects. And Congratulations to Malakai and Zeke, their wonderful LandArt project won them a joint second prize.

Don't forget that the French Market is on at school this Saturday. It's a gold coin donation at the gate and the money raised at the gate comes back to the school to help with resources for your children. It's such a lovely market with beautiful stalls and tasty food. Come along!

Robynne Scott

Acting Principal

SRE Christmas Assembly

Dear parents and caregivers

On Wednesday 29th November, commencing at 2.00pm, there will be a combined end of year Christmas Assembly for all kids attending SRE.

The Scripture teachers would like to invite all parents, caregivers, family and friends to come and enjoy the time with us! It is always a great day of celebration and one of only two times a year we all get together! Hope you can make it!

Street by Street

— BRINGING NEIGHBOURS TOGETHER —

Connect with your neighbours

If you are fortunate enough to live with a sense of community, where you know the people who live near you, share experiences and help one another, then you'll probably agree, your life is richer for it. The Street by Street project is seeking community minded people to turn streets into communities in your area, through simple social activities. We'll support you to do this. Contact Irene Oppen at irene@streetbystreet.org.au or 0413 706 233. See www.streetbystreet.org.au for more info.

Choral Festival

On Wednesday 1st Of November the Stage 2 Boys and Girls OzTag teams represented our school in a gala day at Adcock Park, West Gosford. Both teams demonstrated all our school values throughout the day and won 2 out of 3 games. Big thanks to all the parents that came to support and help out on the day. Congratulations on your efforts Stage 2.

Congratulations to our winners in the Central Coast Council's School Environmental Program project winners. These children entered the Environmental Project competition and we are proud to say they received a certificate and prize for their outstanding efforts in completing their projects. Well done.

**TUESDAY 14TH
NOVEMBER**

Vulnerable road users

Do you have any old CD's that you don't want anymore??

Please bring them into Donna Knee.

Christmas is coming and we are making decorations!

Thank you in advance!

Friday Coffee Group

Fridays we are having so much fun learning how to cook differently by bringing people together for a series of hands-on workshops, Australian Red Cross FoodREDi food education programs teaches people how to get value for money and achieve a balanced diet in a relaxed atmosphere. We have partnered with Red Cross to help families make sustainable changes to diet, physical activity, food budgeting and healthy weight, helping them to improve their health, prevent and manage chronic disease better and learn skills for economic self-reliance.

See Miss Donna for more info or to be involved.

Agency Visit

Year 6 Agency Visit

Did you know that every year we have the local agency's that service our youth, visit our school? This Year we had Central Coast Youth Services, Headspace and Regional Youth Support Services (RYSS) come and talk to our year six students about the local services available to them. If your child is in year six ask them about it!

Love Miss Donna (School Chaplain)

Monday 30th October 2017

Attention Parents/caregivers,

Movember is an annual, month long event, which raises awareness of **male health**. This year the students and staff of Chertsey Primary School will be having a Mo day in support of this charity.

Mr McLeod and Mr Makepeace will be growing a moustache during the month of November and invite and challenge all of the dad's, uncles and Grandads of Chertsey students to join them in growing a Mo and raising money for this important issue.

Our School Parliament Representatives would like to host a fundraising morning tea that will be held at our school on Thursday, 30th November. At this morning tea, Mr McLeod and Mr Makepeace will shave off their Mo's for further donations. More details will be sent out closer to the date.

We encourage you to please contact the school office if you would like to take part in Chertsey's Movember month and we will add you to our Mo list. The more awareness we have means the more money we can raise for men's health.

Start to grow your Mo on Nov 1st

Mrs Tweedie
Classroom Teacher
Parliament Co-Ordinator

Trash Free Tuesday

Trash Free Tuesdays are designed to encourage children to bring lunches that don't generate much rubbish. This is done by using trash free lunch boxes, re-usable containers and drink bottles.

Chertsey Primary School is Trash Free every Tuesday.

Students have designed a Trash Free Tuesday poster design.

Each newsletter will show a great poster from different classes.

Thanks, Mrs Campbell

Name: Taylor.

The Great Benefits of the School Bus

Have you considered looking into using the school bus service as a way of getting to and from school? Here's some information you may not have known that will help you make up your mind.

Kids catching the bus instead of parents driving them to school has so many benefits, mainly it can help by reducing the congestion that increases unsafe behaviours.

Did you know that bus travel is the safest form of land travel in Australia?

Did you know that school children between the ages of 5 and 16 years, travelling to and from school, are substantially safer travelling by bus than other modes of transport?

Did you know that studies run by the Institute of Transport and Logistical studies, University of Sydney show that travelling by bus is 4.4 times safer than walking, 55 times safer than riding a bike and 1.38 times safer than being driven to school?

Did you know that until the end of Year 2 bus passes are free for all students?

Did you know that if you live over 1.6km (most direct route) from the school, you can get a free bus pass?

Did you know that it only costs approx \$1/per day (\$52/term) to get a bus pass?

Other benefits of catching the bus to and from school include:

- Reducing traffic around the school, thus increasing safety for all our kids
- Reducing environmental damage from running your car
- Not having to get to school ½ hour early to get a parking space
- Promoting and encouraging safe independence with our children
- Drop off right outside the school gate (or closer to the school gate then you can get dropping your child safely with your car)
- Extra 'me' time for busy mums.

Talk to your school office or local bus company about bus routes for your school and getting a bus pass.

Parents and Carers

We have a large number of families wishing to purchase second hand uniforms. If you have any old dresses that your child has outgrown, our clothing pool would appreciate the donation.

Thank You

Parking Restrictions Outside Schools

KIDS LOOK TO US TO KEEP THEM SAFE - PARK LEGALLY IN SCHOOL ZONES

Central Coast Council would like to remind parents of parking restrictions outside your school. Please pay close attention to the signs outside your child's primary school and watch your speed when travelling through all school zones.

NO STOPPING zone

Stopping is NOT permitted at any time.

BUS ZONE

Stopping is not permitted during the times shown on the sign.

DOUBLE PARKING

You are not permitted to stop OR park alongside another vehicle already parked parallel to the kerb. This means do not form a queue in the middle of the lane if you are waiting.

Move on, do a loop and come back.

NO PARKING zone

Drivers may drop off and pick up children during the times shown on the sign BUT note:

- Maximum stopping time is 2 MINUTES – your child must exit and enter the car within this time.
- Driver must remain within 3 METRES of the vehicle – you may get out to help with bags etc.
- Stop as close as possible to the top of the zone to allow access for vehicles following behind.

Stopping ON or ACROSS a driveway or other access point to and from a property is not permitted under any circumstance.

You must always consider the school's neighbours by leaving space at their driveways to allow safe exit and entry to the roadway.

Travelling more than 40 km/hour through school zones may inhibit a car from stopping in time to avoid hitting a pedestrian. Parking illegally also creates serious risks as it limits the vision of other drivers.

It only takes a split second for an accident to occur and only one car to present a danger to an unknowing child.

Please be aware of the restrictions and park safely outside your child's school.

For more information regarding parking restriction around your school please contact Council's Road Safety Officers via email at: roadsafety@centralcoast.nsw.gov.au
