From the Principal's desk

Last week we had an extremely busy week. Our P&C ran another amazing Mother's Day stall coordinated by Mrs Frazer. There were some lovely gifts available for children to purchase and I would like to thank Mrs Frazer for organising the gifts and also a big thank you to all of the mums who came and helped on the day. I hope you all received a lovely gift and enjoyed a special day on Sunday with your families. Thank you for supporting our Mother's Day stall once again.

The Mother's Day breakfast was held on Friday and it was fabulous to see so many families at school celebrating this special event. Thank you for joining us and also a huge thank you to Mrs Wastell for organising the breakfast and to the staff who came along early to help set up.

Our year 3 and 5 students sat NAPLAN testing which included Language Conventions, Writing, Reading and Mathematics last Tuesday Wednesday and Thursday. All of the students were focussed and well prepared for these tests. Well done to all of our students and I know that each and everyone tried their very best. The papers have been sent away for marking and all results will be sent home to parents sometime in October this year.

This Friday we have our Zone Cross Country at Umina being held and I would like to wish all of our competitor's good luck. Mr McLeod and Mr Makepeace will be escorting the children to this event and all notes have been sent home to children who have qualified to compete.

As part of Chertsey's Reconciliation celebrations, we have an exciting and talented performer coming to school on Thursday May 18 to present a fabulous afternoon of Aboriginal art and music. The performer's name is Ryka Ali. Ryka's heritage is Wuthathi tribe, Cape York and from the Torres Strait Islands. He uses song, music; paintings and dance demonstrations to tell the stories of his people and the significance of these stories and designs. The cost of this performance is \$4.50 and we encourage all students to come along to this wonderful performance.

Year 6 students have the opportunity to spend the day at Erina High School next Wednesday May 24 for a day of fun activities. All of the children should have returned their notes with their choices. Students attending this fun day need to go directly to the high school and need to be picked up from the high school at the end of the day as well.

Our boys soccer team will be competing in the first knock out competition tomorrow against Holgate at Kincumber Public School and I would like to thank Mr Makepeace for organising the team and giving up his lunch breaks to train with the boys! Good luck to all involved.

Next Friday May 26 we have the girls soccer team competing against Gosford East here at school, and I would like to wish them also the very best of luck and thank Mr McLeod for organising this team.

Miss Gay hosted a 'Biggest Morning Tea' here at school today in order to raise money for the Cancer Council. Thank you to all of the children who brought along a dollar to purchase a cup cake. This was a huge success and a big thank you to Miss Gay for all the cooking and planning that went into this fundraiser. Thank you to all of the staff who helped make these yummy cakes as well as supporting this organisation.

Thank you to all of our wonderful students and families who continually support us here at school. We have a wonderful community and from all of the staff here at Chertsey we thank you for everything you do to make our days successful.

Chertsey manners were on display once again and the smiles were wonderful to see. Thank you students for supporting our stall and being so polite.

The Dollarmites are bringing the future to your school.

Since 1931, CommBank's School Banking program has been offering engaging ways for Australian children to learn the value of saving and develop lifelong money skills.

For our 2017 theme, a futuristic adventure is in store. Students will join the new-look Dollarmites as Future Savers, making their way towards the Savings Hover Park – a fantastic playground up in the clouds of a hi-tech metropolis.

Encouraging savings habits with great rewards

School Banking will continue to reward children who demonstrate regular savings behaviour, and this year we're introducing an exciting new range of reward items. Two are released every term, and available in Term 1 are the Cyber Handball and Colour Change Markers. Your child can redeem one of these reward items, while stocks last, after making 10 School Banking deposits.

Visit commbank.com.au/schoolbanking to download and print this year's Rewards Card. On our website you'll also find a fun activity sheet and a Savings Tracker your child can use to keep track of their School Banking deposits throughout the year.

Dedicated savers get a chance to win a trip to Tokyo Disneyland

The Future Savers Grand Prize competition will take one lucky student on a family trip to Tokyo, Japan. Up to two adults and three children will get tickets to explore Tokyo Disneyland and Tokyo DisneySea, including the futuristic Tomorrowland attractions. This prize includes:

- Return economy airfares from the winner's nearest capital city to Tokyo, Japan
- Five nights' accommodation at the Sheraton Grande Tokyo Bay Hotel
- Three-day Magic Pass to Tokyo Disneyland and Tokyo DisneySea
- AU\$1,000 spending money

To enter, your child simply has to make 15 or more School Banking deposits before the end of Term 3, 2017. This will automatically enter them into the competition for a chance to win.
