Thank you to all the mums and family members who attended our Mother's Day breakfast last Friday week. It was lovely to have you join us here at school to celebrate Mother's Day. I trust you all had a lovely day with your families and were spoilt by your wonderful children.

Last week we had our year 3 and 5 student's complete NAPLAN tests in language, writing, reading and numeracy. The children were exhausted by the end of the week and I would like to congratulate them on their efforts. Results for these tests will be sent home to parents later this year.

I would also like to congratulate and wish all of the children competing in the zone cross country this Friday May 24 the best of luck. Well done to you all and Go Chertsey!! Mr McLeod and Mr Makepeace will be the teachers escorting the students and I would like to thank them for their training tips and organisation for the day.

The French Country markets went ahead last Saturday May 11. The weather was great for the markets and raised in excess of \$3850. All gate takings will go towards supporting our students and purchasing resources.

Today we hosted our own 'Biggest Morning Tea' to raise money for the Cancer Council. Our wonderful teachers and helpers baked over 300 cupcakes and thanks to our generous students, together we raised over \$550 for Cancer research!

Tomorrow Wednesday May 22 we are holding an open day here at Chertsey school from 9:30-10:30am.

We would like to invite any parents who have preschool aged children and are maybe coming to Chertsey School next year. This is an opportunity prior to HEADSTART for parents to come and have a tour of our school and learn about our programs whilst meeting some of the staff. Please let any family or friends you know about this special day and we look forward to meeting many new families for our school in 2020.

The next couple of weeks are very busy with sport opportunities for our students. The school netball team will be playing against East Gosford today (at East Gosford School) and then competing in the gala day on Tuesday June 4 at Adcock Park. The boys' soccer team have been training hard and will compete against Brisbania here at Chertsey on Thursday 23 May. The girls' soccer team have also been training hard and they will compete here against Woy Woy and Holgate Primary School on Wednesday 29 May. I would like to wish all of these students the best of luck.

Life Education and Healthy Harold will be here at Chertsey next Monday 27 May to Wednesday 29 May. This program addresses components and objectives within the NSW PDHPE curriculum. The cost is \$10.00 per child.

Thank you to all of our wonderful students and families who continually support us here at school. We have a wonderful community and from all of the staff here at Chertsey we thank you for everything you do to make our days successful.

Have a great week!

Karen Auinger

Principal (Relieving)

WOOLWORTHS EARN AND LEARN

It's on again! Woolworths will be running the Earn and Learn program from 1 May - 25 June. For every \$10 you spend at Woolworths you will receive 1 sticker. Stickers can either be put on your charts or dropped in the boxes at School/Woolworths. Sticker charts have been sent home with the students and more are available at the office.

Kate Currie

Well done to our Chertsey girls' netball team. They played a great game today against Gosford East Public School. Although they were not the winners on the day they were definitely winners to Chertsey as they played with determination and school pride and in defeat displayed great sportsmanship. Well done girls! Mrs Tweedie and Mrs Lerway are very proud of your performance.

Jump Rope for Heart

Jump Rope for Heart kicks off this term!

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for over 35 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$75 million for the Heart Foundation's lifesaving work.

It's important you **register your child online**, so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started.
www.jumprope.org.au/parents

Students will be skipping *throughout the term during sport/fitness and lunch break*. During this time you can share their online fundraising page with family and friends to help raise money for this great cause.

We will hold our school Jump Off Day on Friday, 28 June, this will mark the end of the program and is a chance for everyone to come together to skip and show off their newly learned skills.

Sponsorship forms have also been sent home with the children, if you would prefer to fundraise this way. If your child has misplaced their form, they can pick up another from the office.

Thank you for supporting the Jump Rope for Heart program!

Heart Foundation

Chertsey Primary School

Today we had Cleanaway come and discuss how to recycle and what can and cannot go into our red, yellow and green bins.

Chertsey is continuing their journey on being Waste Wise!

Be respectful

Be your best

INFORMATION FOR PARENTS AND COMMUNITY MEMBERS

Are you a parent or Community member visiting a school; or interested in becoming a school volunteer?

Our schools value strong partnerships with our parents and community members. Visits to our schools and volunteering puts you in the valuable position of positively contributing to the outcomes of our next generations.

Did you know that there are now requirements for all school visitors and volunteers? They are as listed below:

1. Parents and close relatives visiting at the school

This includes sibling, step-sibling, parent, step-parent, grandparent, step-grandparent, aunt, uncle, niece or nephew of the person. In the case of an Aboriginal person or a Torres Strait Islander, a person who is part of the extended family or kin of the person according to the kinship of the system of the person's culture.

- 100 points of ID
- Appendix 5 declaration

Note: This information only needs to be provided once and is valid for the duration of the enrolment of your child.

2. Any adult 'volunteer' who does not have a child at the school who will have direct contact (face to face) with children, or parents attending school excursions or overnight camps

This includes supporting school programs and mentoring programs or providing personal care for a child with additional needs:

- Volunteer Working with Children Check (WWCC) – no fee applies
- 100 points of ID
- Appendix 11 declaration

Note: This information is required to be provided every 12 months.

All forms and ID Documents are kept in a secure location at the school for 7 years and can only be accessed by authorised personnel.

Please contact your local AECG or your school Aboriginal Education contact for more information.

Lesley Armstrong, President Central Coast Regional Aboriginal Education Consultative Group is also available on telephone number 4392 7202 to discuss any matters relating to this.

ADMINISTERING MEDICATION AT SCHOOL

Dear Parents/Guardian

When medication is needed to be administered at school it is a departmental requirement that a form be filled out before we are able to administer the medication. This includes Panadol. Please see the office staff for a form when needed.
