Last week we had lots of sporting opportunities for our students to be involved in. Our girls' soccer team played on Wednesday and although they were beaten I was informed by Mr Makepeace and the referee that our girls were outstanding sports and displayed our school values at all times. I would like to congratulate them all on this wonderful behaviour as well as congratulate our boys' soccer team who also displayed excellent sportsmanship and enjoyed the day! Unfortunately due to the wet weather today the netball gala day was postponed. We will advise you of the new date shortly. Thank you to all of the staff who have given up their own time to train these teams and to all of the parents for transporting them to and from venues and supporting our school.

I would also like to congratulate all of the children who represented our school at the Zone Cross Country carnival last Friday week ago. Mr McLeod and Mr Makepeace were impressed with the level of enthusiasm and the way our students cheered each other on. Well done to everyone involved.

Last week we celebrated Reconciliation Week with activities in the classrooms and a morning tea for our Indigenous families.

Thank you Mrs Fantoni, Miss Craig and Mrs Blumer for their coordination of this event.

All classes visited the Life Education van last week and learnt some important messages about being healthy and safe. Thank you to Mrs Fantoni for arranging this opportunity for our students.

Yesterday Mrs Tweedie took our leaders to a leader's day at Gosford Leagues Club. GRIP Leadership Day is an organised day for school leaders to be involved in interactive activities and ways to be successful leaders in their schools. Thank you to all involved and we look forward to hearing all about it!

Tomorrow June 5 Erina High School is hosting a fun day for all of our year 6 students from our Erina Learning community. The students had many options to choose from which all looked exciting. They will have a wonderful day experiencing high school and thank you to the parents for organising their transport to and from Erina High. The students are to be at the high school by 9am and meet teachers in the COLA area. Mr McLeod will be attending the day whilst Mr Makepeace will remain here at school and take all of year 5. Year 6 students will be provided with a free sausage sizzle for lunch but are required to take their own morning tea and a drink. The day will conclude at 3pm and children are to be picked up from the high school unless they are catching a bus home.

Congratulations to Mrs Skinner on her appointment to Kariong Public School. We will miss you. Yesterday you should have received Mrs Skinner's heartfelt letter. We are now waiting for direction from the Director of Education and will keep you advised during this process. I will continue to relieve in the role until the end of Term 2. Please see me if you have any concerns.

Don't forget to come along to our P&C meeting on Tuesday June 11, 6:30pm in our staffroom, everyone is welcome!

Have a great week!

Karen Auinger

Dear Parents and Students,

On Friday I was offered the position of Kariong Public School Principal permanently. Although this was a hard decision I have decided to take up this opportunity.

I am extremely sad to be leaving Chertsey Primary School as you all have held a special place in my life for the past 5 years.

I have loved working closely with the staff, community and especially the students and I am going to miss everyone immensely.

Thank you to everyone for making my time there so special and I will look forward to making visits and keeping up to date with what is going on!

Thank you

Toni Skinner

WOOLWORTHS EARN AND LEARN

It's on again! Woolworths will be running the Earn and Learn program from 1 May - 25 June. For every \$10 you spend at Woolworths you will receive 1 sticker. Stickers can either be put on your charts or dropped in the boxes at School/Woolworths. Sticker charts have been sent home with the students and more are available at the office.

Kate Currie

School Leaders GRIP Conference

On Monday our school leaders attended a GRIP School Leaders Conference with Mrs Tweedie. This conference gave our leaders the opportunity to train in their role as school leaders. The topics focused on making a difference to our team, making a difference to our school and making a difference to society. It was a fun and interactive day and the leaders are looking forward to implementing their new knowledge back at school.

Girls Soccer

Well done to the girls who competed in the soccer Gala Day last Wednesday. The girls were narrowly defeated by Woodport 4-2 but they played their best and should be proud of their efforts.

Boys Soccer

On Thursday 23 May the boys soccer team played Brisbania Public School. The boys never gave up and kept displaying our school values. A couple of great saves from Jye and a goal in front of the Chertsey crowd.

Cross Country

Well done to all the students who competed in the Zone Cross Country Carnival at Umina on the 24 May. Everyone ran there best and should be proud of their efforts.

Good luck to Jye, Oscar and Charlotte who will represent Southern Central Coast and Sydney North.

Jump Rope for Heart

Jump Rope for Heart kicks off this term!

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for over 35 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$75 million for the Heart Foundation's lifesaving work.

It's important you **register your child online**, so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started.

www.jump rope.org.au/parents

Students will be skipping *throughout the term during sport/fitness and lunch break*. During this time you can share their online fundraising page with family and friends to help raise money for this great cause.

We will hold our school Jump Off Day on Friday, 28 June, this will mark the end of the program and is a chance for everyone to come together to skip and show off their newly learned skills.

Sponsorship forms have also been sent home with the children, if you would prefer to fundraise this way. If your child has misplaced their form, they can pick up another from the office.

Thank you for supporting the Jump Rope for Heart program!

etc.

ADMINISTERING MEDICATION AT SCHOOL

Dear Parents/Guardian

When medication is needed to be administered at school it is a departmental requirement that a form be filled out before we are able to administer the medication. This includes Panadol. Please see the office staff for a form when needed.
