EDUCATION WEEK

Last week we celebrated Education Week. The theme was 'Every Student, Every Voice.' I hope you were able to attend our open classrooms and see you children engaged in learning. Please take the opportunity to share your voice through our survey via Facebook or through the office. We value your opinions. It was great to talk to parents and our students and hear their wishes for Chertsey Primary School, and how we can make it an even more amazing place!

Our fabulous dance group, choir, signing choir and percussion group performed at Erina Fair last Monday. Congratulations to all students on their behaviour and performances. The staff and I were very proud of you all. Thankyou to Mrs Hynes, Mrs Landow, Mr Puppo and the students for giving up their time to ensure these performances were of a high standard. Well done!

Thank you to the parents, students and staff who were able to support the book fair in raising \$3000. All proceeds will go towards resourcing our library for all staff and students to utilise. Thank you Kate, Donna, Emily, Yasmin, Bec and Lisa for helping Mrs Scott and Mrs Tialshinsky with the selling of books. The book parade was a lot of fun with the students and staff dressed in their character costumes.

Congratulations to our student debating team on their win supporting that technology has made our lives easier. Thank you to Mr Tindall, Mrs Knee, Ms Stewart and Mrs Melbourne for their participation in the debate.

Jye, Oscar and their families would like to thank everyone for purchasing a sausage sandwich or raffle ticket to raise funds to support them in competing at the National Cross Country Carnival in Wollongong next month.

PIE ORDERS

I hope those that ordered pies, cakes and slices enjoyed their yummy purchases over the weekend. Thank you to Jody Jobe for coordinating this event and ensuring it ran smoothly. Congratulations to Arizona, Harmony and Tyler for their outstanding fundraising efforts. Thank you to everyone for supporting this fundraiser to support class cooking programs using the mobile kitchen.

We now have \$300 to buy ingredients for the recipes the classes choose.

SCHOOL ATTENDANCE - It's NOT ok to stay away

All children have the right to an Education. Regular School attendance lets students develop a sense of belonging and builds important coping and friendship skills. Confident children are less likely to engage in antisocial behaviour. When students miss out on basic skills in the early years of school they may have learning problems in later years. In the long run, unsatisfactory attendance may affect the opportunities available to your child. Parents are required by law to ensure all children from 6 to 17 year olds are enrolled at and regularly attend school or are registered with NESA NSW for home schooling.

SOUTHS CARES- COLGATE ORAL HEALTH PROGRAM

Last Thursday Years 3-6 students participated in a football clinic with NRL players, a health promotion session with Yerin and an oral health session delivered by Souths Cares. All students K-6 received a t shirt, toothbrush and toothpaste.

Kindergarten 2020

Enrolments for Kindergarten 2020 are now being taken. If you know anyone who is of school age in our local area, please remind them to collect an enrolment form from the front office. Our Headstart program begins this term, Thursday 5 September. It is important that we are aware of all students who will be starting school in order to effectively transition students and plan for the year ahead. Please contact the school office for further information.

PUBLIC SPEAKING

On Thursday our Chertsey public speaking finalists will be representing our school and speaking against students from other schools at Holgate Public School. Good luck Zahlia, Elizabeth, Ethan, Chase, Indigo, Charlotte and Lucas! We're already proud of your achievements in getting to this level.

CRICKET GALA DAY

Tomorrow Wednesday 14 August Stage 2 and 3 students in our cricket teams will be walking to Hilton Moore oval and competing in the Cricket Blast School Cup. Good luck and have fun.

EXCURSIONS

Next week our K-2 students and some support classes will be visiting The Australian Reptile Park. Hopefully the weather will be warm and sunny this time. Our Stage 2 students are off to learn some local history on their visit to Henry Kendall Cottage. The Stage 3 Canberra camp is getting closer and final organisation is underway.

K-6 ASSEMBLY

Athletics Carnival ribbons will be given out at our K-6 Assembly this week.

Have a great week!

Karen Auinger

Book Parade

On Tuesday 6 August we launched Book Week with our Book Parade! Students, teachers and parents joined together to watch the parade in the COLA. There were some fantastic costumes on display, showcasing the wonderful books students (and teachers) have been reading. Many families have been enjoying the Book Fair and purchasing some new books to read. Thank you to the families who have donated a new book to the school.

SKILLS for parents

Supporting Kids In Living Life Safely

As parents, we all want our kids to be mentally well and safe, particularly during the transition through adolescence. This has always been a challenging time for both young people and their parents. However, the added influences of technology, social media, substance use, peer pressures and acceptance are arguably greater now than ever before.

This 1½-hour presentation provides parents with an understanding of possible behaviours and signs about the need to check in with a child about safety. He or she may simply be going through a difficult time but how do we determine if safety is at risk? Being aware and open to discuss depression, anxiety, self-harm or suicide with a young person in your care may be the most important step to connect with available support.

Takeaways from this presentation:

- Recognition that what we might hear, see or feel may be invitations to help
- Facts about depression, anxiety, self-harm, suicidal thoughts
- Practical approaches to broach difficult subjects with a young person and how to have a meaningful conversation
- Support services available in your community, for your child and for yourself
