

### **School Improvement Plan (SIP)**

During this term parents will receive opportunities to provide feedback about various aspects of the school. You will also have the opportunity to provide ideas moving forward towards our new Strategic Improvement Plan (SIP) that will be released during Term 1, 2021. This is part of the School Excellence Cycle to continually drive improvement and excellence in schools. The SIP will take the place of the current three year school plan that concludes this year.

Schools engage in all aspects of a School Excellence cycle. This includes developing a SIP in consultation with their community (students, staff and parents). The SIP has up to three strategic directions and associated improvement measures which form the basis of each planning cycle. One of these strategic directions will be 'Student growth and attainment' for all schools. The remaining two strategic directions are chosen by each school to reflect and respond to their unique context.

The first stage of completing our SIP is to complete a situational analysis. The situational analysis is an authentic and rigorous assessment of our school's current state and is used to inform our school's improvement journey in learning, teaching and leading. Conducting a situational analysis allows our school to develop a rich and highly contextualised understanding of our school's current situation.

To help us gather community feedback we are asking our families to complete a survey/s. Please keep your eyes open for the survey/s via each family's email account, School Stream app and we will also add it to our school Facebook page. We need your voice to formulate our next four year vision. Please take your time and play an active part in where we can progress to as a wonderful school community.

### **Mrs Baldwin's Wall of Fame**

Amazing students in an amazing school, another fortnight where our students make Chertsey proud!

Barry and Travis have produced a culmination of their learning this about seasons in a creative display.

Johnson is working so hard term. Keep up the amazing effort Johnson, we are so proud of you!

Isabella and Indeeanna's handwriting show's such patience and persistence!

Well done girls!

*"Patience, persistence and perspiration make an unbeatable combination for success."*

Sarah Baldwin

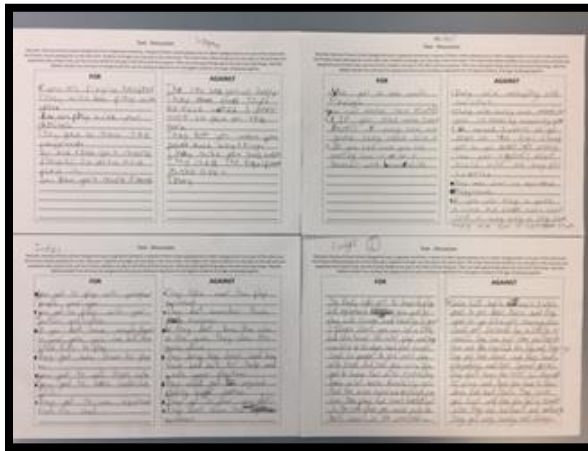

Principal

At Chertsey primary School teachers, students and parents work together to empower students to become confident lifelong learners in a caring and inclusive environment.

## Class Article

"4/5W has been a happy and busy class this year. We have welcomed two new students, Tyler (who was at Chertsey a few years ago and has returned because he loves it) and Zayden. Both have settled in well with help from our lovely class. In science we have been studying Life Cycles. We have been learning to write information reports which is followed up in library with Mrs Darwin where they are using their research and reporting skills to create a project on an animal of their choice. We recently created some art showing different perspectives on Uluru. It is amazing how many different interpretations the class came up with. We are currently developing crayon and paint-wash platypuses for a Book week mural. You will see pictures of this on Seesaw when it is finished. 4/5W particularly enjoys going out for our 20 minute fitness time, three days a week. Favourite cardio games are 'golden child' and 'hand soccer'. The third session is a tabloid of cardio/stretch and strengthening exercises to their favourite music. We are all looking forward to the time when school returns to normal and we can see some parents inside the school, helping in the classroom. In the meantime, stay safe. Kind regards, Anne Whitty 4/5W"

# Chertsey Primary School PBL

Be Respectful    Be Responsible    Be Your Best

This week in PBL We  
are learning about...

**School day  
transitions  
before, during and  
after school**

## Be Respectful

- **Walk quietly and calmly** when transitioning around the school during the day.
- **Walk quietly and calmly** straight to your parents and carers at the end of the day when the bell rings.
- **Listen to and follow instructions** from supervising teachers on the front and back gates before and after school.

## Be Responsible

- **Be in the right place at the right time.** Walk directly to where you need to be.
- **Walk quietly in designated areas.** The pathway going past K-6A is closed for transitions.
- **Wait and walk** across the walking zone with a teacher or parent. **Do not** cross the road at any other zone, it is not safe!
- **Wait and walk calmly** up around the cul de sac when leaving school via the back gate. **Do not** cross over the road, it is not safe!

## Be Your Best

- **Listen to teacher instructions** about how to transition around the school.
- **Stay on the pathways** to keep you safe and our grass and gardens neat.
- **Sit quietly and calmly** on the front office silver seats and wait for the supervising teacher before the morning bell.

*We would love for you to continue these discussions at home so our students can continue to follow and practise our PBL values during daily transitions with pride and success.*

# COVID-19 (Coronavirus)

## Who to call

### Questions and support

- Call **1800 020 080** (24/7) for health questions or to check symptoms.
- Call **13 77 88** (24/7) for non-health related questions.
- Call **1800 512 348** (24/7) for mental wellbeing support
- Visit [www.healthdirect.gov.au](http://www.healthdirect.gov.au) to check symptoms.
- Visit [www.nsw.gov.au/covid-19](http://www.nsw.gov.au/covid-19) for all other COVID-19 related information

### Triple Zero

Save **Triple Zero (000)** for emergencies such as difficulty breathing or shortness of breath at rest.

### Interpreter service

For free help in your language call **13 14 50**.

**Practise good hygiene**

**Practise physical distancing**

**Stay home if you can**

## Announcement

### Changes to address or contact details

Please notify the school as soon as possible if there are any changes to contact details, address and phone numbers.

### Administering Medication at school

When medication is needed to be administered at school, it is a departmental requirement that a form be filled out by the parent/Carer before we are able to administer medication.

This includes Panadol and Nurofen.  
Please see the front office for the form.

### School Canteen

The school canteen will be open Wednesday – Friday.

### P&C

Meetings are held every second Tuesday of each month beginning at 6:30pm via zoom  
All welcome!

### School Banking

School banking is every Tuesday.

*School banking is on hold until further notice.*

## Attendance

# 100 CLUB

*Percentage of students who have achieved 100% attendance this fortnight.*

**At Chertsey Primary School, we celebrate students with 100% attendance!**

**As of Week 8, we will be displaying our '100 Club' which is a percentage of students at our school, who have 100% attendance for the previous fortnight.**

**To be part of this celebration, please ensure your child is attending school each day if they are well.**
