Week 9	Monday 20 th March	Harmony Day
	Tuesday 21 st March	School Photos
	Friday 24 th March	NAPLAN Final Day

Principal Report

It's hard to believe that we are already in week 6 with another 5 weeks to go until Easter break! Where has the time gone? Congratulations to our students who are positively engaging in learning, focusing on their learning, and working well as a team. They brighten our days with their smiles, achievements, and their respectful behaviour daily. A big thank you to our parents/carers and to our staff for the fantastic start to our 2023 partnership, supporting our students so they can be the best versions of themselves.

Zone Swimming Carnival

Congratulations and good luck to our students who have progressed to the next level and are competing at the PSSA Zone Swimming Carnival on Tuesday 7th March. We look forward to hearing about their participation.

School Improvements

It's coming together and we are so close! Chertseydale Cottage's renovation is nearly at completion. It has been such an exciting time and we can't wait to have the keys handed over for our CHOOSH and community to enjoy!

Home Reading Program

We all know that reading is important for the development of vital language and literacy skills. Studies have shown that students who read more at home are more likely to experience academic success.

Our home reading program has commenced, and your child has brought home their Chester's Home Reading Challenge Card. Children are encouraged to read allocated texts in their online Wushka account or they can borrow books from their classroom home reading tub. Students can also read school library books, library books borrowed from your local library, or books from home.

Each night your child completes reading at home, please sign and date a new box. Please ensure that your child's home reading card is returned to school with their homework each Friday. Children who return their home reading cards will receive a Chester token from their class teacher.

If you have any questions regarding homework, please do not hesitate to contact your child's classroom teacher.

Have a safe and wonderful fortnight!

"The three great essentials to achieve anything worthwhile are, first, hard work; second, stick-to-itiveness; third, common sense." — Thomas A. Edison
